

To Residents of Rental Housing

Have you enrolled in household insurance?

Have you remembered to renew your insurance?

Case1

Water leakage from the washing machine caused damage to the room below.

Water leakage from the washing machine caused damage to the room below. Damage costs for both the downstairs room and your room.

Out-of-pocket expense (example):550,000 yen

Case2

Dropped a hairdryer and damaged the bathroom sink.

Replacement cost of the sink. Out-of-pocket expense (example):80,000 yen

If you are uninsured or have forgotten to renew your household insurance, in the event of accidents such as

fire **water leakage** **damage** you will need to resolve them at your own expense.

Please double-check the status and renewal of your insurance contract.
